2021-2022 JOHN S. CLARKE ELEMENTARY CENTER HANDBOOK

Dear Parents/Guardians:

We are using this handbook as a means of communicating between the home and school. There are many policies, regulations, and services discussed in these pages. Please read and keep this handbook readily available throughout the year.

Many of your questions have been anticipated and are discussed in some detail. We are always available to clarify any school matter. The telephone numbers listed for key staff members will prove helpful. Do not hesitate to use them.

Close cooperation between the home and school is essential to promote the best interests of each child. Parents should contact the teacher of their child with any questions or concerns through the teacher's e-mail. Mutual benefits occur when there is a meaningful exchange of information between the home and school.

Our discipline, attendance/truancy and dress code policies, which are in effect district-wide are of special importance. Please be sure to read them carefully.

Thank you,

Michael Maley
Principal, John S. Clarke Elementary Center

Arrival and Dismissal Information

Admission to Building

SCHOOL OFFICE HOURS: 8:00 AM to 4:00 PM

- Please note that the office closes at 4:00 PM - However, emergency phone calls can be received from 4:00 PM to 4:30 PM.

Classes Begin: Grades K-4 – 9:00 AM

Classes End: Grades K-4 - 3:05 PM

Students are expected to arrive at school between 8:35 AM and 9:00 AM every day. The school day officially starts at 9:00 AM, meaning students must be in their classrooms no later than 9:00 AM. Students who arrive after 9:00 AM are considered to be late. The lateness creates disruption in the classroom and an interruption to the educational process.

Parents/Visitors

We politely request that parents/guardians make an appointment if they need to meet with school personnel and not just stop by. This allows the school to prepare materials for the meeting to make sure we are attentive to your questions and/or concerns. All parents and visitors to the school must use the main entrance on 16th Street and report to the office whenever entering the building.

Student Drop-off during Arrival

- When dropping your child off, you may park in any space open on either side of North 16th Street.
- If you park on the baseball field side of the street, you must walk with your child/children to the crosswalk and wait for the crossing guard to cross you.
- A reminder that the doors to the Elementary Center do not open until 8:35 AM. Proper adult supervision of your child is not available before 8:35 AM. Students arriving before these times will not be permitted to enter the school building and the District will not accept responsibility for their supervision prior to 8:35 AM.
- You must walk your child to the main entrance where there will be staff members present to ensure your child enters the school safely.

Student Pick-up at Dismissal

- Student dismissal begins at 3:05 PM.
- Parents may park on either side of 16th Street for student pick-up. **All parents are required to get out of their cars and come to the main entrance doors to pick up their child. There are no exceptions to this safety precaution.**
- Students will be in lines, by grade level, in the lobby of the main entrance, with one teacher per grade level. Parents should line up by grade level, according to markings on the sidewalk in front of the main entrance. A teacher will come out to the line and ask who you are there to pick up and will then escort your child/children out to you. Crossing guards will be present to help you cross during dismissal.
- Kindergarten, Third, and Fourth Grade will dismiss first, followed by First and Second Grade.

Parents are required to send a note if they are picking up their student at dismissal time. Otherwise, the child must take the bus. The note should include the name of the person picking up your child. Anyone picking up a student must have proper ID.

Leaving School Before Dismissal Time

Class instruction ends at 3:05 PM for grades K - 4. Since instructional time is vital to the student's educational progress, parents are asked to request early dismissal only when absolutely necessary.

Parents who must have their child dismissed early from school are requested to **send a note** to the teacher indicating the date(s), the reason for the request, who will be coming for the child, and the time. Parents must meet their child in the office at the requested time and officially sign out the child.

Please note that proper identification will be required.

- When a student leaves early for an appointment, a note from the appointment source (doctor, dentist, counselor, etc.) is required in order for the absence to be excused.
- Only in cases of emergency should a phone call be made to request taking a child from school before dismissal time.
- Students are **not permitted** to leave early following a field trip.

School Closing/Early Dismissal

Should it be necessary to cancel school or have a delayed opening because of inclement weather, the information will be posted on the district's website www.pottsville.k12.pa.us, announced on the local radio stations WPPA 1360 AM and T-102 FM 101.9 and television station WNEP as early as 6:30 AM. You will also receive a phone call from Skylert.

Please remember when there is a delayed opening time, the dismissal time will still be at the regular time. In the event of a delay, students will not be allowed to enter the building until:

- One-hour delay – 9:35 AM
- Two-hour delay – 10:35 AM
- Three-hour delay – 11:35 AM

Should it be necessary to dismiss classes early due to weather conditions, broadcasts over the same radio stations will be given. You will also receive a phone call from Skylert. The early closing information will also be available by accessing the district's website at www.pottsville.k12.pa.us. Please make sure that we have your most current cell phone and email on file to receive any emergency alerts or messages.

It is important that parents plan ahead and make arrangements so that someone will be at home when the child arrives. Each family is urged to make arrangements for its particular needs in the event of an early dismissal. Make certain that your child knows the plan.

Attendance Information

Regular and punctual attendance at school is not only the State Law, but it is essential to the educational process.

When a child has been absent from school, a written excuse signed by the parent or guardian stating the reason for absence and the date of absence is required. If the absence is due to an appointment (e.g. doctor, dentist, counselor, etc.), a note from the source is required. Additionally, a note is required from the doctor after **five or more** consecutive days of absence from school. This written excuse should be sent to the teacher the day the child returns to school. If a note is not received the day the child returns to school, he/she is given three days to bring the required note. If the note is not received within this time limit, the absence will be marked unexcused/unlawful.

Permission may be granted for the purpose of an educational trip. To obtain this permission slip, ask the teacher for a Request for Educational Trip form (also available on the PASD website under John S. Clarke Elementary Center → For Parents. When this form has been completed, return it to the teacher for approval by the Principal and Superintendent of Schools.

When your child is absent from school, you will receive an automated telephone call from “School Messenger” by 10:00 AM. Receiving the automated message alerts you as a parent or guardian that your child is absent from school. If you receive this message in error, please contact the school immediately at 570-621-2945. When your child returns to school, you **MUST** provide a written note including:

- date of absence
- student’s first and last name and grade
- reason for absence
- parent’s/guardian’s signature

The note must be returned within three days to the student’s homeroom teacher, otherwise the absence is considered unexcused/unlawful.

A phone call to the school on the day of the absence is NOT necessary.

Click Departments → Board of Directors → District Policies → Use link to view District Policies → 200-Pupils → The policy regarding attendance is #204. The policy was revised on August 15, 2018.

Schuylkill County Truancy Handbook for Parents - Last Revision May 2017

The following is information that every family should be aware of regarding **truancy** and how **truant** situations will be handled for the 2021-2022 school term:

Initially it is important to know that by definition compulsory school attendance is from ages 8-17. However, if a student under the age of 8 is enrolled and attending school, they are also bound to follow the truancy policy once they begin school.

- A) Procedures when a student is **truant**: The law defines “truant” as a student subject to compulsory attendance who has three or more school days of unexcused absences during the current school year.
- Within 10 days of the student’s **third unexcused absence**, the school will provide written notification that the student has been truant to the person in parental relation to the student. The school may offer an attendance improvement conference.
 - If the student **continues to accumulate unexcused absences** after the written notice is provided, the school will convene a **school attendance improvement conference**. The school will invite the child, the person in parental relation to the child, other individuals identified by the person in parental relation who may be a resource, appropriate school personnel, and recommended service providers. The school will provide the parent with advance written notice of the meeting. The conference may occur if the parent declines to participate or fails to attend the scheduled conference after advanced written notice and attempts to communicate via telephone. The school will complete a written school attendance improvement plan to document the outcome of the conference.
- B) Procedures when a student is **habitually truant**: The law defines “habitually truant” as six or more school days of unexcused absences during the current school year by a child subject to compulsory school attendance.
- When a child is habitually truant and **under fifteen years of age** at the time of the referral: The school will refer the child to a school-based or community-based attendance improvement program or to **Schuylkill County Children and Youth Services** for services or for possible disposition as a dependent child. The school **may file a citation** in the office of the appropriate magisterial district judge against the person in parental relation of the student.
 - When a child is habitually truant and fifteen years of age or older at the time of the referral: The school will refer the student to a school or community-based attendance improvement program or file a citation with a magisterial district judge. If the student continues to incur additional unexcused absences after being referred to a school attendance improvement program as recommended through the school attendance improvement conference, the school may refer the child to Schuylkill County Children and Youth Services.
- C) Upon receiving a truancy referral, Children and Youth will review the student’s attendance record and determine if an investigation is warranted based on the frequency of absences and the length of the time over which the absences occurred. If Children and Youth determines the student’s absences do not warrant an investigation, the agency will notify the district of their decision.

D) Citations may not be filed if

- A school attendance improvement conference has not occurred.
- A proceeding is already pending for violating compulsory school attendance.
- A referral has been made to Schuylkill County Children and Youth Services and the case is active with the Agency.
- A petition has been filed alleging the child is dependent due to being habitually truant and the case remains under the jurisdiction of the juvenile court.

Additional services that can/will be offered and utilized in an attempt improve school attendance:

Children and Youth programs:

- Family Group Decision Making (FGDM): FGDM is a conference bringing family members, friends, and social supports together in order to develop a working plan to improve school attendance
- Family Support Unit/Signature Family Services/JusticeWorks: These in-home services provide parenting education and supportive counseling to assist families in resolving the concerns that lead to truancy.
- Access Services, Inc.: The Access Rebound Program provides mentoring, life skills counseling, and advocacy to help students enhance their educational experiences. Access also offers a nine-week school attendance improvement group to teach participants how to overcome risk factors that lead to poor school attendance.

District programs:

- Student Assistance Program (SAP): Each school district has a SAP team comprised of school personnel and community providers that can offer assistance to a youth in the school setting and refer to community resources.

Penalties for Violation of Compulsory School Attendance:

- Citations through the Magisterial District Judge's Office can be issued to both the student and the parent. A person convicted of violating compulsory school attendance requirements may be sentenced to pay a fine not exceeding \$300, together with court costs, for an initial offense, not to exceed \$500, together with court costs, for a second offense and not to exceed \$750, together with court costs, for a third or subsequent offense. In addition, if the parents are issued a fine and they fail to pay the fine, the Magisterial District Judge can impose a jail sentence, not to exceed three days.
- Community Service can be ordered by the Magisterial District Judge for both the parent and the truant youth.
- Student may be required to complete a school attendance improvement program.
- At their discretion, district judges may send the Department of Transportation a certified record of a student's conviction for license suspension. Upon a first conviction, the child's operating privilege for operating an automobile will be suspended for 90 days. Upon a second or subsequent conviction, the child's operating privileges will be suspended for six

months. Children who do not yet have a driver's license will be ineligible to apply for a license for the time periods of 90 days for the first conviction and six months for the second and any subsequent conviction.

- If a student is an adjudicated dependent and continues to incur unexcused absences, the agency can recommend to the Court a weekend placement program. This program can be utilized for one weekend or as many as needed in order to encourage the student to attend school regularly. Students who are court ordered into a weekend placement program will be required to complete assignments provided by the school. In addition, the youth will complete chores and any physical requirements of the program.

Absence from school is excused for only a limited number of reasons as specified in the Pennsylvania School Code. Each student is required to submit this form, complete with parent signature, the first school day following an absence.

Arriving Late to School

Successful academic progress and Commonwealth Law require that a child be in class on time each school day. Classes at John S. Clarke Elementary Center begin at 8:50 AM. Late students **must be accompanied by a parent and must report to the main office using the 16th Street entrance.**

After a child is late to school for an unexcused reason on three (3) separate occasions, the child will not be able to attend recess for one recess period. Every accumulation of three unexcused late arrivals thereafter, the child will not be able to attend one recess period. Some unexcused reasons for being late to school are: oversleeping, missing the bus, routine babysitting, refusing to come to school, hunting, taking a trip without approval from administration, any other circumstances deemed unexcused by the principal.

If a student is late due to an appointment, a note from the appointment source (doctor, dentist, counselor, etc.) is required in order for the lateness to be excused.

Requests for Classwork or Homework During an Absence

We encourage parents to obtain class work and/or homework assignments for their children when they are absent from school. However, because of time restrictions on the classroom teacher, we must ask that you make your request for class work/homework prior to 11:00 AM. The work may then be picked up in the school office after 3:00 PM that same day. If the request for work is received after 11:00 AM, the work may not be available in the school office until after 9:30 AM on the next school day.

Academic Information

Curriculum

The elementary curriculum (K-4) includes the teaching of Mathematics, English Language Arts, Social Studies, Science, Art, Music, Physical Education/Health, STEM, and PSSA Preparation.

Under the ESEA Title I Program, remedial reading help is provided to those students who are considered below grade level in this area. This is in addition to the regular classroom instruction. Parents are informed and kept up-to-date of their child’s progress in this program.

The kindergarten program is structured to develop readiness for learning. Reading readiness, math readiness, behaviors that promote learning, and fine motor control are all part of the kindergarten curriculum.

Title I School

The philosophy behind Title I is that in order for an educational program to be truly effective, our school needs to partner with our parents. As a Title I school, our teachers make every effort to communicate classroom expectations relating to assessment requirements and PA Common Core to parents. A parent resource center is located in the JSC Reading Center. Parents can find materials here to help improve their child’s achievement. Our goal is to build a strong relationship through open communication that will positively impact each student’s learning journey. If you have any questions, please contact your child’s teacher or the JSC Reading Center.

Included at the end of this document is a letter to make you aware of your rights as a Parent/Guardian of a child in a Title I School.

Miscellaneous Items

Emergency Information – Change of Address/Telephone

Emergency cards are kept on file for each student so that in the event of an emergency, parents may be contacted. It is of extreme importance that each emergency card has the accurate information needed to contact the parents in case of accidents and emergencies. Unlisted telephone numbers should be given to the school for this use only. (This information will remain confidential). Someone should be named who would be available in the event that the parents cannot be reached during the school day.

Should an emergency arise at home and parents need to contact a child, the parents should contact the office of the John S. Clarke Elementary Center (570-621-2945). After an explanation of the need, the appropriate action will be taken.

If you have a change telephone number or email during the school year, **please notify your child's teacher and the school office.** It is extremely important that we have this up-to-date information for each student.

Address Change Notice - Please Note : When changing your physical address, you need to provide the Attendance Office located in the Academic Center with **2** proofs of the new address. (Examples: Property Tax receipt, Lease or Tenant Agreement, Driver's License, and Utility Bill).

Moved/Moving - Submit two (2) proofs of residency to the Academic Center (1501 W Laurel Blvd, Pottsville, PA 17901). Student enrollment and withdrawals will be processed through the Attendance Office located in the Academic Center.

Attendance Office - 570-621-2915

Health Services

Should a child become ill or injured during the school day, the nurse is contacted and the child is taken to the Health Clinic. If it is necessary for the child to be sent home, the nurse will contact the parents and the appropriate arrangements will be made. Please note that if someone will be picking up the child, **proper identification will be required.**

Some children in school are taking medication for various health reasons; therefore, it is very important that you understand the school's policy concerning medication, which must be administered during the school day.

1. No medication should be administered in school except by the direct order of a physician.
2. The written physician's order must be given to the school nurse stating:
 - a. Child's name
 - b. Name of medication
 - c. Dosage to be given
 - d. The time the medication is to be given
3. All medication must be properly labeled with the name of the medication and the dosage.

If at all possible, medications should be administered at home rather than in school.

All prescription medication MUST be transported to and from the school by a parent or adult designee. Students may **NOT** transport prescription medications to and from the school.

Throughout the year physical, dental, vision and hearing examinations are given to various grade levels. Prior to any of these scheduled examinations the nurse will notify the parents. If necessary, following the examination, information will be given to the parents.

Bus Information

Riding the school bus is a privilege afforded by the Pottsville Area School District. Riding the school bus is not a student right. Proper bus safety and bus conduct are extremely important. For misconduct on the bus or at the bus stop, the following penalties **may** apply. Administration has reserved the ability to move through level of offenses due to the severity of an incident:

1. First Offense - The student will receive a verbal reprimand by a building administrator and a written report/warning will be sent to the parents.
2. Second Offense - The student will receive a verbal reprimand by a building administrator, he/she may be assigned to detention, and a written report/warning will be sent to the parents.

***Serious offenses may result in more serious discipline; including an immediate suspension of bus privileges.**

Any change in the child's usual bus routine must have proper authorization from a school official.

The use of video and audio recording equipment supports efforts to maintain discipline and to ensure the safety and security of all students, staff, contractors and others being transported on district-owned, operated, or contracted school buses or school vehicles.

The district will not provide individual, personal transportation to children who repeatedly miss the school bus.

To contact the transportation department, please call 570-621-2949.

Cafeteria

Breakfast and lunch are served daily in the school cafeteria. A monthly breakfast menu, lunch menu, order form, and envelope for money will be sent home with your child for the upcoming month. Money can be added to your child's account at any time by using the designated breakfast/lunch account envelope.

Forms for free and reduced lunches are sent home at the beginning of the school year. These forms are also available at any time upon request.

Students will be expected to demonstrate appropriate behavior and table manners when eating in the cafeteria. Disrespect for cafeteria workers and/or cafeteria aides, deliberate destruction of cafeteria tableware, deliberate littering of the cafeteria floors, misuse of food, annoying other students during lunch, etc., will not be tolerated. Misconduct in the cafeteria will result in disciplinary action that may include verbal reprimand, isolation of the offender from other students while eating, detention, or suspension from school.

Parent-Teacher Organization

The John S. Clarke Elementary Center has a very active PTO organization. Since the education of your child is a cooperative effort of the home and the school, you are urged to become an active member. Please note that PTO membership is required in order to be considered as a chaperone for student field trips.

Parties/Holiday Treats

The only parties permitted in the elementary grades K-4 are those sponsored by the PTO. Birthday parties are not allowed. **Due to health conditions such as food allergies, no food items should be sent to school** for holidays such as Halloween, Thanksgiving, Christmas, Valentine's Day, and Easter.

Birthday party invitations may not be distributed at school unless everyone in the class is receiving an invitation. We are not permitted to give out student addresses and/or phone numbers.

School Communication

Skyward Family Access is used for lunch balances, grades, conference scheduling, and posting of information.

For new families, check your inbox for an email with your account credentials. If you have any login issues or need to create a Skyward Account, please contact the Technology Department at 570-621-7679 or email nlschaeffer@pottsville.k12.pa.us.

Social Media Accounts:

- a. Twitter - @JSCPrincipal
- b. Facebook – John S Clarke Principal

Additionally, John S. Clarke Elementary Center will use Skyward messenger to communicate by way of email with our families. Emails will come from the following address: jscoffice@pottsville.k12.pa.us. It is imperative parents/guardians have an updated email address listed in Skyward as this is our primary means of communication between home and school.

Weekly newsletters will be made available electronically through email and social media accounts.

Parent-Teacher Communication

Communication between the school and the home is very important. Parent-teacher communication is strongly encouraged. Time will be set aside for parents to meet with teachers during the school year.

Parent-Teacher conferences are scheduled from 11 AM - 7:00 PM on November 8, 2021. Details regarding conferences will be emailed to parents.

It is not necessary to wait for the scheduled conference to meet with your child's teacher.

If at any time you wish to have a conference with a teacher, send a note with your child requesting an appointment. A mutually agreeable time will then be scheduled. Likewise, the teacher will contact you if there is a need for a conference. Should you telephone the office in order to contact a teacher, please be advised that teachers are not able to answer the phone immediately. The telephone message will be given to the teacher who will return your call.

John S. Clarke School-Wide Behavior Program (The PRIDE Program)

John S. Clarke Elementary Center is committed to academic and behavioral excellence. PRIDE is what Pottsville Area School District calls its positive behavior intervention & supports program (PBIS). School rules posters will be hung in classrooms and around the school (cafeteria, hallways, bus lobby, and outside of bathrooms). PRIDE focuses on five behavioral expectations: Prepare, Respect, Inspire, Demonstrate, and Excel. These expectations will be taught via classroom lessons and reinforced at home.

Our students learn our school expectations in all environments:

- Prepare – keep eyes and ears on the teacher, be ready to listen and learn
- Respect – listen to others while they speak, use soft voices, keep work space clean
- Inspire – treat others kindly
- Demonstrate – follow directions, keep hands, feet, and objects to self
- Excel – help each other, be a good friend

Pottsville Area School District's goal is to create a positive school climate in which students can succeed academically and socially. We do this by offering incentives and rewards to students who follow school rules and who demonstrate positive behaviors. We also identify those students who need extra supports

and incentives to ensure that everyone in the Pottsville Area School District achieves academic and social success.

We offer many different types of rewards and incentives for our students. Such as, if staff sees that a student is following the rules on the bus, in the hallways, the cafeteria or in the classrooms, they have a chance to earn PRIDE cash. PRIDE cash can be spent in the classroom stores or spent at our PRIDE events. If students are seen doing something extra special, like demonstrating kindness towards a peer, they can earn red tickets. Students who receive a red ticket have a chance to win bigger and better prizes. We also plan special events for our students every quarter to let them know that we are proud of all of their hard work and for following the rules. All students will be invited to attend quarterly PRIDE programs, unless the student is being restricted from attendance for disciplinary reasons.

Discipline

While John S. Clarke Elementary Center takes a positive approach to student behavior through the PBIS program, instances may occur which need to be managed by the main office. An example of office managed discipline would be a major incident which creates an unsafe learning environment for students. Office managed disciplinary actions may result in (but not limited to) the loss of PRIDE events, recess detention, after school detention, student conferences with administration, parent conferences with administration, and suspension.

Bringing Things to School

Students should not bring toys, games, video games, personal iPads, radios, cameras, sports equipment, etc., to school. The student will assume all responsibility for any item brought to school. In the past, items brought to school by students have been lost or broken by students or friends, either on the bus or at school. The school will not be held liable for lost or broken items. Please instruct your child to keep all such items at home.

Mobile phones are not permitted to be used by students and should not be brought to school.

Prohibition of Weapons

Weapons and the use of weapons are prohibited on school property, including buses (*School Board Policy #218.1*). A student who possesses, sells, intends to sell, distributes, intends to distribute, displays, intends to display, transfers, intends to transfer, or uses any firearm/explosive, or weapons of any type, or any article or substance not normally considered to be a weapon, including a look-alike will be suspended up to ten (10) days, and the principal will request a formal hearing by the Board of Education to determine the term of expulsion. In addition, the principal will refer the matter to the local police for criminal prosecution.

A weapon does not include any device which is authorized by the school for legitimate educational purposes, such as tools, scissors, compasses, pencils, implements for art class, and the like. Any student, however, using any such common item in an aggressive, threatening and/or intimidating manner shall be considered in possession of a weapon, unless the student can demonstrate that the item was/is used in a manner reasonably understood to be its common purpose. The Principal shall be given considerable latitude to determine the intent of the student in such matters.

Exclusion from School

Exclusion from school (School Board Policy #233) may be imposed when a student has been extremely disobedient in following the rules of the school, has endangered the well-being of others, or for emotional or physical reasons that prohibit the maintenance of good order in the school.

Vandalism of School Property

Repair and/or restitution will be required in addition to school district punishment to the fullest extent and possible legal action depending on the severity of the offense for destruction of school property.

Lost and Found

Articles found in and around the school and on the bus are returned to the main office where owners may claim their property by identifying it. It is recommended that parents place names on boots, lunch boxes, sweaters, gloves, mittens, hats, coats, school bags, purses, eyeglasses and envelopes containing letters or money.

Student Records

The Pottsville Area School District will be responsible for protecting the privacy rights of both parents and children with regard to the maintenance and release of the student's school records. Parents have the right to review the school records of their children as well as the right to review the District's policy on student records. Requests for these purposes should be made by contacting the principal.

ONLINE BEHAVIOR

Students and families will be expected to adhere to proper online behavior protocols during all distance learning. This includes but is not limited to the following:

- Students and staff will be dressed appropriately during live or self-recorded online instruction.

- Online environments shall follow school rules and all school board policies.

- Students failing to meet attendance requirements may be classified truant and subject to truant law.

Pottsville Area School District School Board Policies

Pottsville Area School District Board Policies can be found on the PASD school website (www.pottsville.k12.pa.us). Click Departments → Board of Directors → District Policies → Use link to view District Policies.

The purpose of the Student Handbook is to provide students and parents with general information regarding certain policies and procedures of the Pottsville Area School District. In the case of a conflict between the contents of the Student Handbook and PASD School Board Policy, or in the event that a listed policy is changed through board action during the school year for which the handbook is intended, the most current official board policy will be in effect. In the instance where board policy does not cover a specific situation, a resolution will be decided by the superintendent/building principal. This resolution will remain in effect until amended or overturned by the superintendent/building principal or until a specific resolution is ratified by the PASD Board of Education.

Bullying/Cyberbullying Policy – School Board Policy #249

Creating and maintaining a safe and welcoming learning environment for all students is a high priority in all School District schools. A safe school environment free from bullying is necessary for students to learn and achieve high academic standards. Bullying behavior disrupts the educational or learning process, and may present an obstacle to the academic, vocational, social, emotional, and other development of students. Bullying and cyberbullying can also escalate into more serious violent or cyberspace crimes. Therefore, bullying and cyberbullying will not be tolerated.

Bullying - For the purposes of this Policy, bullying means an intentional electronic, written, verbal or physical act, or a series of acts (a) directed at another student or students (b) that is *severe, persistent or pervasive*, and (c) that has the effect of doing any of the following:

1. Substantially interfering with a student's education;
2. Creating a threatening environment; or
3. Substantially disrupting the orderly operation of the school.

The School District is not prohibited from defining bullying in such a way as to encompass acts that occur outside of the school setting if those acts (1) substantially interfere with a student's education; (2) create a threatening environment; or (3) substantially disrupt the orderly operation of the school.

For example, bullying could be cyberbullying, and/or a form of harassment in which the behavior is intended, or perceived to intend, to harm or cause distress to another. It may include, but is not limited to, actions such as verbal taunts, physical aggression, extortion of money or possessions, including any discriminatory statements prohibited by and consistent with the School District's nondiscrimination and harassment policies.

The term cyberbullying shall not be interpreted to infringe upon a student's right to engage in legally protected speech or conduct.

The Board prohibits all forms of bullying. Any violation of this Policy shall be considered an infraction of the Code of Student Conduct, with discipline implemented accordingly, and on a case-by-case basis. All bullying behavior that is believed to be a violation of the Pennsylvania Crimes Code will be reported to law enforcement.

Any person discovering bullying shall report the incident to a Pottsville Area School District teacher, counselor, or administrator. School employees will provide immediate interventions consistent with this Policy. Students are also required to immediately report bullying.

Each student must be responsible to respect the rights of others and to ensure an atmosphere free from bullying.

The Pottsville Area School District bullying/cyberbullying policy is fully incorporated into this Student Handbook as if it were stated here in its entirety.

Other information regarding bullying/cyberbullying, including notices, complaint procedures, consequences for violation, retaliation, and false reports, can be found on the PASD school website (www.pottsville.k12.pa.us). Weapons – School Board Policy #218.1

The Board of Education recognizes the importance of a safe school environment. Possession of weapons in the school setting is a threat to the safety of students and staff and is prohibited by law.

Weapon - A weapon includes, but is not limited to, any knife, cutting instrument, cutting tool, nunchaku, firearm, shotgun, rifle, firework, incendiary device, any replica of a weapon, or any other tool, instrument or implement capable of inflicting serious bodily harm.

Possession - A student is in possession of a weapon when the weapon is found on the person of the student, in the student's locker, under the student's control while on school property or on property being used by the school, at any school function or activity, at any school event held away from the school, or while the student is coming to or from school.

A student who, on school grounds during a school session or anywhere at a school sponsored activity or field trip, is in possession of or uses a weapon shall be subject to the discipline pursuant to the provisions and procedures outlined in the Pottsville School District's Weapon Policy. The Pottsville Area School District Weapon Policy is fully incorporated into this Student Handbook as if it were stated here in its entirety.

In this context, “organization” is defined as any organization, team, club, society or group operating under the sanction of or recognized as an organization by the district.

The Board prohibits hazing in connection with any student activity or organization regardless of whether the conduct occurs on or off school property or outside of school hours.

The Pottsville Area School Board recognizes that the emotional, social, physical and educational development of students will vary and that students should be placed in the educational setting most appropriate to their needs. The district shall establish and maintain academic standards for each grade and monitor individual student achievement in a continuous and systematic manner.

The Board establishes that each student shall be moved forward in a continuous pattern of achievement and development that corresponds with the student's progress, system of grade levels, and attainment of the academic standards established for each grade.

A student shall be promoted when s/he has successfully completed the curriculum requirements and has achieved the academic standards established for the present level, based on the professional judgement of the teachers and the results of assessments. August 25, 2021

Dear Parent(s)/Legal Guardian(s):

Your child attends Pottsville Area School District, which receives Federal Title I funds to assist students in meeting state achievement standards. Throughout the school year, we will be providing you with important information about this law and your child's education. This letter lets you know about your right to request information about the qualifications of the classroom staff working with your child.

At Pottsville Area School District, we are very proud of our teachers and feel they are ready for the coming school year and are prepared to give your child a high-quality education. As a Title I school, we must meet federal regulations related to teacher qualifications as defined in ESEA. These regulations allow you to learn more about your child's teachers' training and credentials. We are happy to provide this information to you. At any time, you may ask:

- Whether the teacher met state qualifications and certification requirements for the grade level and subject he/she is teaching,
- Whether the teacher received an emergency or conditional certificate through which state qualifications were waived, and
- What undergraduate or graduate degrees the teacher holds, including graduate certificates and additional degrees, and major(s) or area(s) of concentration.

You may also ask whether your child receives help from a paraprofessional. If your child receives this assistance, we can provide you with information about the paraprofessional's qualifications.

The Every Student Succeeds Act, (ESSA) which was signed into law in December 2015 and reauthorizes the Elementary and Secondary Education Act of 1956 (ESEA), includes additionally right to know requests. At any time, parents and family members can request:

- Information on policies regarding student participation in assessments and procedures for opting out, and
- Information on required assessments that include
 - subject matter tested,
 - purpose of the test,
 - source of the requirement (if applicable),
 - amount of time it takes students to complete the test, and
 - time and format of disseminating results.

Our staff is committed to helping your child develop the academic knowledge and critical thinking one needs to succeed in school and beyond. That commitment includes making sure that all of our teachers and paraprofessionals meet applicable Pennsylvania state requirements.

If you have any questions about your child's assignment to a teacher or paraprofessional, please contact either of our Title I schools:
