

**Pottsville Area School District  
Federal Programs Office  
1501 West Laurel Blvd.  
Pottsville, Pennsylvania 17901**

July 1, 2024

Greetings JSC and Lengel families,

As we embark on the new school year, we are sending out the Title I Back to School packets for all students and families. Enclosed you will find the following documents: Title I Parent and Family Engagement Policy, Title I School/Parent Compact, and Parent Right-to-Know Teacher and Paraprofessional Qualifications Letter. On the bottom of the Title I Parent and Family Engagement Policy, you will find a Title I Parent and Family Engagement Survey link. Please take a few moments to complete the survey and review the enclosed packet.

All documents, including the District Parent and Family Engagement Policy and Schoolwide Plans, can be accessed electronically by visiting our district website. The website is <https://www.pottsville.k12.pa.us/>. Once there, click on *Select A School* at the top of the page and choose your child's building. Select the *Curriculum* tab and choose *Title I Information*.

At Pottsville Area School District, we value the partnerships we form with our students' families. We strive to have open communication among you, your child, and our schools. Please consider being on our Parent and Family Engagement Team. On the survey mentioned above, you can list your email address if you are interested in being on our team.

During Back to School Night, please stop at the Title I table to pick up some great parent and family resources. If you are in either building in the future, the Title I Parent and Family Resource Areas are located in the Reading Center at John S. Clarke Elementary and Room 100A at D.H.H. Lengel Middle School.

We are looking forward to a fantastic school year with you and your child!

Sincerely,

Maria Larish  
Federal Programs Coordinator
